April 17, 2026

Dear Resident:

**RE: Notice of Street Rehabilitation – 1200-1500-1600 blk Venables st**

The City of Vancouver will be undertaking street rehabilitation work on 1200 blk and 1600 Blk Venables st, on Sunday April 26th, 2026. This work will involve excavating the roadway and completing asphalt paving to repair existing damage.

Preparations for this repair are already underway. You may notice increased crew activity throughout the week leading up to the scheduled paving as we complete the necessary pre-work.

**What to Expect During Construction**

**Parking:** Temporary parking restrictions will be required to safely accommodate construction. Please watch for No Parking signs as work progresses.

**Traffic and Access:** crews will generally work from the curb lane. As paving approaches, the street will be closed during work hours. The duration will be 1 day only. Please watch for signage and traffic control. Pedestrian access will be maintained on the sidewalks at all times.

**Work Hours:** Construction generally occurs between 7:00 am–6:00 pm Sunday

**Noise, Dust and Vibration:** During construction, you may experience noise, dust and vibration from the activities of crews and equipment. City Crews will take measures to minimize these impacts.

We apologize for any inconvenience and thank you in advance for your understanding and patience during construction. If you have any questions or comments about this project, please contact [streets.01@vancouver.ca](mailto:streets.01@vancouver.ca) or 3-1-1.

Yours truly,

Streets Design Branch  
Engineering Services, City of Vancouver
